## NO LOBBYIST MONEY. NO LOBBYIST GIFTS. NO STRINGS ATTACHED.

One of only a handful of legislators to reject the Capitol's gift culture—owing nothing to special interests.

## WORKS FOR YOU—NOT THE OKLAHOMA CITY NIGHTLIFE.

While others attend lobbyist dinners and events, Gann stays focused—reading bills and doing the work taxpayers expect.

## READS THE BILLS. KNOWS THE DETAILS. FIGHTS THE BAD DEALS.

Caught and exposed failed corporate welfare schemes like Canoo—saving taxpayers from costly government mistakes.

## STANDS STRONG AGAINST CORPORATE WELFARE.

Refuses to let government pick winners and losers with your tax dollars—defending free-market principles.

## PROVEN RIGHT WHEN IT MATTERS MOST.

Warned early about risky government giveaways—later validated when those schemes collapsed.

## 100% CONSERVATIVE. 100% ACCOUNTABLE.

Consistently earns a perfect score for standing firm on conservative principles and protecting taxpayers.

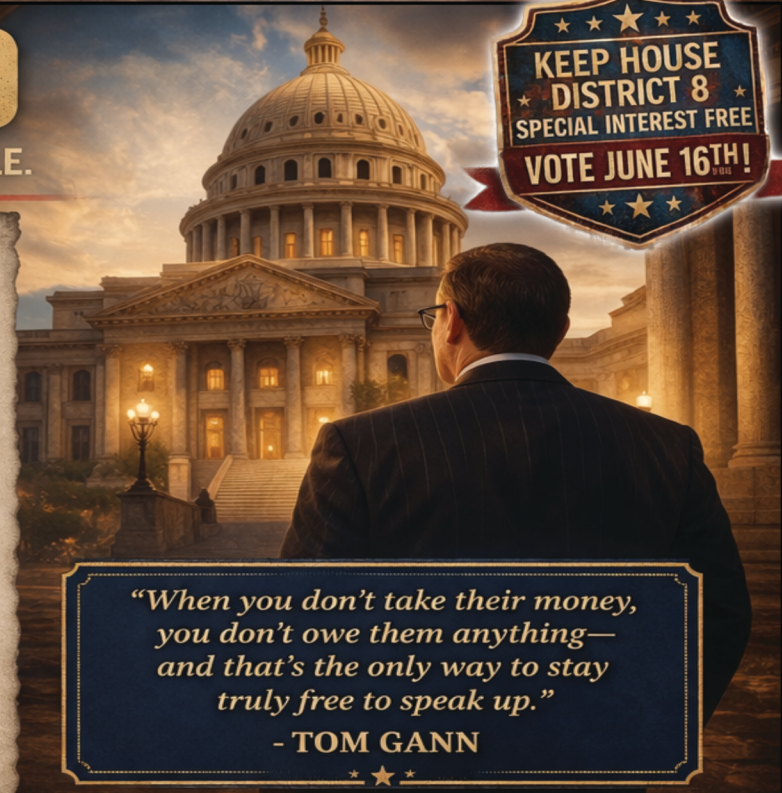

## INDEPENDENT. UNBOUGHT. UNAFRAID.

Because he doesn't take their money, he can speak out—when others stay silent.

## FIGHTING FOR TRANSPARENCY AND ACCOUNTABILITY.

Took legal action to challenge corruption and protect ratepayers from hidden deals and rising costs.

*“When you don't take their money, you don't owe them anything—and that's the only way to stay truly free to speak up.”*
