

TOM GANN - PROMISES KEPT

Tom Gann is keeping his pledge to defend the right-to-life, protect the 2nd Amendment and guard the taxpayer against new taxes and overreaching state government.

Paid: Tom Gann for State Representative 2018 - 918.260.0858

As Our State Representative, **Republican Tom Gann:**

- honored his pledge to reject the hundreds of dollars of gifts and thousands of dollars of contributions that normally flow to office holders from the lobbyists and the entities which hire them;
- voted against each of the many recent tax increase proposals including the 36% state gas tax increase and the effort to put a capital gains tax on the sale of cattle. Gann believes government should live within its means and will continue to defend the budgets of hard-working Oklahomans; and
- became the Legislature's leading proponent of non-tax increase funding alternatives for common education.

Tom Gann Went to Oklahoma City ...

... and Here's What Happened:

Two years ago, you sent Inola auditor Tom Gann to Oklahoma City.

He became the **ONLY AUDITOR** in the Legislature. Working on your behalf, it didn't take him long to find a **2.4 billion dollar surplus that was "supposed" to be used for education**; instead, in Tom's view, the custodians of the fund seemed more interested in building up, protecting and living off of the fund instead of sending the proceeds to common education.

Tom knew that Oklahoma politicians preferred to leverage education concerns to get unnecessary new taxes instead of doing the right thing and using existing revenues; however, Tom still sponsored and even won committee approval for his legislation to fund education with the yearly proceeds from the 2.4 billion dollar fund.

Eventually the politicians stopped Tom's proposal and approved the new taxes instead. However, Tom continues to audit state finances and to insist that core government services should be paid for with existing funds and **not with tax increases**.

Tom has been appointed to a special House Investigate Committee that is designed to find waste in state government. To continue his work to hold government accountable and to force it to use existing funds instead of new tax increases, he needs your vote.

Republican Tom Gann Requests Your Vote On June 26th and November 6th!
